EDUCATION

Saxion University of Applied Sciences | Bachelor of Applied Science — Deventer | 08/2023 - Present

- Cumulative GPA: 8/10

Radboud University | minor Computing Science: Cybersecurity — Nijmegen | 08/2025 - 02/2026

- Cumulative GPA: 8/10

UWC Mahindra India | IB Diploma — Pune | 08/2021 – 06/2023

- Cumulative GPA: 3.37/4.0

EXPERIENCE

AI Intern | Planon — Nijmegen | 02/2026 – 07/2026

- Researched and compared AI integration approaches, including MCP, RAG and AI Agents, to evaluate what best suits the existing application
- Designed and developed a conversational AI assistant using C#/.NET and Azure OpenAI, enabling users to retrieve real estate and financial data through natural language queries
- Documented the system architecture and integration choices, while collaborating with the supervisors and the team throughout the development process

Food Waiter | Kreta Restaurant Mezes & Grill — Deventer | 01/2024 – 06/2024

- Prepared beverages and worked behind the bar, served guests with food and drinks
- Maintained cleanliness and organization of service areas

ACHIEVEMENTS

Admitted in UWC Mahindra India | **Scholarship for MUWCI** — 10/2020 - 04/2021

- Went through a thorough and rigorous selection process
- I got a scholarship to study at the prestigious UWC school in India

First Tech Challenge India **|** Connect Award & Finalist Alliance Captain Award — Pune | 01/2022 - 03/2022

- I managed the communication within the team and sorted through the needed resources for the competition, such as tools, hardware and required documentation

- Our team built a robot with which we competed in the FT challenge
- We won two awards: the Connect award and the Finalist Alliance Captain award

VOLUNTEERING

UWC Macedonia National Committee Member 08/2024 – 06/2025

- Part of the National Committee, which conducts the selection process for choosing and allocating students at the UWC schools
- I have promoted the movement to potential applicants
- I regularly communicate with a current student to check up on him and assist him if needed
